

Inclusive Education at Jaypee Public School, Noida

Jaypee Public School, Noida has used basketball sports to break down barriers, promote inclusion and create a wealth of opportunities for all differently abled and abled students together at one platform by organizing a friendly match on Saturday, May, 26-2018, among students of JPS, Noida and Amar Jyoti school wheelchair basketballers.

Event was witnessed, enjoyed & participated by many parents, students and grandparents.

Aim of the event was to promote inclusion, make every child feel well-connected with other people of the society and allowing him/her to learn various life-skills through sports.
