

Ensuring Health and Fitness

Healthy children will form a healthy future of a nation. It is very important to spread awareness about keeping good health and childhood is the right time to sow the seeds.

Keeping this in mind Jaypee Public School, Noida conducted Medical Health Checkup camp on 9th to 12th July 2019 by the team of specialist of Jaypee Hospital, Noida. All the students, faculty and staff were examined by the specialists of Jaypee Hospital on various parameters.
