

## JAYPEE PUBLIC SCHOOL NOIDA

### INVITATION TO CELEBRATE INTERNATIONAL YOGA DAY

The students of JPS, Noida are enthusiastically learning and performing “Yoga Protocol” during their respective Sports classes. Yoga as we all know is necessary and beneficial for all human beings, if it is practiced by all on daily basis. We at Jaypee Public School are trying to deliver regular yoga sessions to our students with the mission of increasing the acquaintance of yoga among children and to help them imbibe the value of carrying a healthy life style. Regular practice of yoga will surely help our students achieve a better life, physically, mentally and spiritually as well. School would appreciate if parents also join hands to make this generation healthy and fit by motivating their kids to make yoga a routine practice. Let’s not just celebrate a day or a month but a whole life by making Yoga a way of life.

Taking a step forward JPS, Noida would like to invite students, staff and parents to celebrate International Yoga Day on Friday, 21st, June, 2019. Let’s come forward to make this event a success by registering through the link given below.
