

## TINKER FEST 2019

*Jaypee Public School, Noida has been selected for establishing “ATAL TINKERING LAB”. Under this programme, school had organised its first programme “TINKER FEST 2019”, a two-day workshop where many schools from Delhi-NCR had participated. In this workshop, students learned about Arduino Programming, Sensor Interface and 3-D Printing. It was a well-presented workshop with an excellent balance of information, practice and interaction. During the workshop, everyone practised the techniques with support and compassion of the trainers. This Tinker Fest has triggered the inquisitiveness in true sense.*

*Jaypee public School Noida has also invited the students of “DEEKSHANJALI” for Tinker Fest. These students not only enjoyed the Fest but also bagged the Third position in model designing which was the last level of this Fest. Second position was bagged by the students Delhi Public School, Gautam Budh Nagar and First Position was secured by the students of Kothari International School Noida. Overall, it was a great learning experience for all.*
