

## **Honing the skills for studying abroad**

**“Opportunities don’t happen, you create them.”**

*With a plethora of career options available both at the National and International level in the contemporary times, the role of a career counsellor becomes indispensable. Keeping abreast our children with such challenging diaspora, JPS Noida organized a workshop on Career Counselling - Study Abroad, for the students of class XI and XII on Monday, 22<sup>nd</sup> May’ 2023 in the Atal Tinkering Lab.*

*The session-initiated tips on some of the important international language entrance exams like IELTS/PTE/TOFEL/CELP/IP along with some aptitude tests like SAT/ACT were thoroughly explained. They were also explained to prepare their SOP’s (Statement of purpose). In-depth knowledge about the said exams, the parameters were also shared with them.*

*The session was quite interactive and an eye-opener for all.*
