

Global Sustainability Awards

Jaypee Public School, Noida was honoured with the Pewter Award for Socially Responsible School Category on November 21, 2022 at the India International Centre in Lodhi Gardens, New Delhi by ARCEdtech

The school received praise for its extensive support of Community service, Sustainable practices, and Education for Sustainable Development and was acknowledged at the awards event among 400 schools from 20 different nations and 5 different continents. The school was chosen on the basis of its SDG integrated projects, a thorough overview of numerous SDG projects and green school initiatives by the school principal, theme-based annual functions, and vocationalization of education.
