

Interschool Competition – CYBERMATICS 2022

Jaypee Public School, Noida hosted an Inter-School Competition CYBERMATICS 2022 on the 5th and 6th August 2022. It was a proud moment for Jaypee Public school to host such a grand event consisting of a plethora of activities like Technome, Artist's Impression, Toycathon, Math with Mandala, Cyber Delineation and many more. The event gave opportunities to almost 31 schools and 500 students to showcase their talent in myriad events. The event was graced by the chief guest, Mr. Amit Bajaj, Senior Mathematics Faculty at CRPF Public School.

In continuity with their tradition of theme-based inter school competitions, this year's competition was on Mathematics and Information Technology. The learners' vivacity and brilliance were fully displayed through their presentations. The first prize was bagged by Jaypee Public School but being the host school, it passed it on to the next school in line, that is, Lotus Valley International School. The Principal, Ms. Anjali Malik addressed the students to congratulate and encourage them with her inspiring words.
