

SPECIAL ASSEMBLY ON EARTH DAY

"Let us join hands to reflect on what we are doing to make our planet a more sustainable and livable place."

To mark the occasion of the Earth Day, a special assembly was conducted by the students of Class IX on 18 April 2023 at JPS Noida. This day is observed to emphasize that it is necessary to promote harmony with nature and the Earth.

The Talk Show presented by the students of class IX A was the cherry on the cake as it sensitized everyone to understand the importance of sustainable development through conveying the message that we have to protect our precious planet earth and its valuable resources so that these can be available to us and our future generations for years to come as " We have not inherited this earth from our forefathers, we have borrowed it from our children".
