

FRENCH DAY (SPECIAL ASSEMBLY)

French is one of the most influential and important language of the world. It is one of the top three most useful language for business after English.

A special assembly was conducted by the students of classes V to VIII in the school premises of Jaypee Public School, Noida on 12 July, 2019. Students shared interesting facts about the French language and culture of France. Pensee du jour (Thought of the day), Journaux nationaux (National news) French song and Ball dance were presented in French Language. This helped the students to connect to the cultural traditions that are widely followed in a foreign land. Thus, the assembly was followed by the teacher's talk, who emphasized about the importance of French language and experienced shared by the students who visited to NASA.
