

SI-UK WORKSHOP

A session was organised for students of classes 9 to 12 by SIUK on "Study In United Kingdom" on 14th August"2019.

The session focused on academic opportunities in various universities like London School of Economics, Oxford university, Manchester University, Imperial College of London etc in United Kingdom. Eligibility, minimum percentage required and UCAS application to top universities were discussed. The session also focused on life style and work opportunities available for students after completing the academic course in UK.
