

SOLAR LAMP STUDENT AMBASSADORS WORKSHOP

Marking the 150th birth anniversary of 'Father of the Nation- Mahatma Gandhi', Jaypee Public School, Noida conducted the "Student Solar Ambassador Workshop" on 2 October 2019, an initiative conceptualized by CBSE in collaboration with IIT Bombay. In this pretext, a 'Gandhi Global Solar Yatra' was organized for the young generation who will bear the maximum burden of climate change in the upcoming years. In the culmination event of the yatra, hands on training was given to the students in the Atal Tinkering Lab and A.V. room respectively, to enable them to make their own solar study lamp. The students displayed a lot of enthusiasm and keenness in assembling the lamp kit. The well-organized workshop was mentored by Mr. Vinaysheel Gaur and Ms. Sunita Kumari along with Mr. B.K. Das, Ms. Avantika Yadav and Ms. Manju Singh. The technical assistance was provided by Ms. Chandan Kumar. All the participating students will also be awarded an e-certificate from IIT Bombay. The workshop ended successfully thereby igniting the fire of innovation in the budding scientists."
