

## **SCRAPBOOK ACTIVITY REPORT**

Jaypee Public School, Noida conducted an inter house scrapbook making competition for class VI on the topic "TOGETHER, WE CAN MAKE A DIFFERENCE" in the month of July 2019 as a part of the ISA activity. The students found the activity very interesting and exciting. They collected all the information and other materials about various global issues and were well prepared on the day of the competition.

All the students were well aware of the global issues with reference to our partner countries Nepal and Bhutan. The students touched upon various global issues like global warming, poverty, pollution, right to education and sustainable development goals.

This competition enhanced the students' creativity, writing skills, analytical skills and problem solving skills. It also increased their sensitivity towards the environment. Moreover, this competition made the students empathetic and open minded and now they will be able to accept the society in a better way and become global citizens.
