

JAYPEE PUBLIC SCHOOL, NOIDA
JPS ANNUAL FUNCTION & EXHIBITION
2020-2021 REPORT

THE GLOBAL AWAKE – LIVING THE SUSTAINABLE WAY

A virtual annual function and exhibition, “**THE GLOBAL AWAKE – LIVING THE SUSTAINABLE WAY**”, has been organized by Jaypee Public School, Noida, on January 15 & 16, 2021. The event was inaugurated by Ms. Manika Gaur, Director, Education, Cdr S J Singh, President, Education, Mr. MP Sharma, Sr Vice-President, Education & Ms. Anjali Malik, Principal. The event was inaugurated with the ceremonial lamp lighting ceremony followed by the welcome address by school Principal, Ms. Anjali Malik.

The theme for the exhibition comprised **the 17 Sustainable Development Goals** which were duly allocated among all the classes from Preprimary to XI and was streamed through the YouTube platform. The coveted event began with heart touching musical, dance and theatrical performances edified under the able mentorship of the art cantonment of the school.

Projects based on Sustainability which received accolades at National level, were showcased by the awardees of **INSPIRE AWARD** and **CBSE IBM SEWA PROJECT**. Students had displayed their exhibits in the form of PPTs, photographs and videos on the SDGs assigned to them. A wide range of activities like poem recitation, speech, model making, T-shirt printing, handicraft making, collage & poster making, 3D modelling, powerpoint presentations, best out of waste, rangoli making, mask making, mandala art, talk pods and scientific experiments were showcased to depict the need and urgency to address the global issues and ensure social, economic and environmental sustainability.

In spite of the challenging phase due to this new normal, the event proved to be a turning point for all our students giving them an indelible opportunity to empower themselves with a deeper sense of understanding and to equip themselves with the 21st century skills and competencies, required to face the real-life situations while embracing Global Citizenship. It also helped in sensitizing the masses about Global challenges and ways to manoeuvre them with sustainability.

The event culminated with an oath taking ceremony wherein all pledged to use the resources in a sustainable way. It seemed that sustainable living in its true sense has awakened these young minds and all the global citizens towards a secure and sustainable future in perfect collaboration with nature and human race.
